You are not alone with your hearing loss.

Local chapters are affiliated with the Hearing Loss Association of America. Chapters are started and run by volunteers and offer support, education and social activities.

Chapters consist of friendly people who gladly share their experiences coping with hearing loss. Come meet with others who cope with hearing Loss at a chapter meeting near you.

HLAA chapters support themselves through fundraising efforts such as the Walk4Hearing and donations from the community and chapter members. Please consider joining the Hearing Loss Association of Greater Baltimore. Your support helps keep this chapter operating.
