# Advances in Hearing Aids and Cochlear Implants

Thursday, March 24, 2016

6:30 PM – 8:00 PM

**The Hearing and Speech Agency**

5900 Metro Drive

Baltimore, MD 21215

410-318-6780

[www.hasa.org](http://www.hasa.org)

**Guest Speaker: Bridget Garrison AuD.  
CCC-A, FAAA**

Dr. Garrison received her Bachelor's of Science degree with a double major in Speech Language Pathology and Audiology and Deaf Studies from Towson University. She continued at Towson University where she went on to achieve her Clinical Doctorate in Audiology. For the past 2 years, Dr. Bridget Garrison works at the Cochlear Implant Center at GBMC part time. She came into the position with a tremendous amount of personal experience in the field of cochlear implantation. She also works in a private ear, nose and throat setting where she specializes in diagnostic audiology assessment for adults and children, as well as fitting, programming and repairing hearing aids.

Please join us to learn about how these new advances can improve your options in everyday hearing. There will be time for questions and answers.

**Hearing Loss Association of Greater Baltimore chapter meetings are free and open to the public. Captioning, Assistive Listening Devices and sign language interpretation are provided at evening meetings, whenever possible.**
