The Mission of HLAA is to open the world of communication to people with hearing loss by providing information, education, support and advocacy.

Hearing loss chapter meetings are free, open to the public, and unless otherwise noted, are held at:

The Hearing and Speech Agency
5900 Metro Drive
Baltimore MD 21215
410-318-6780
www.hasa.org

Do you have a hearing loss? Does your loved one have a hearing loss? Are you interested in meeting other people with hearing loss and learning how they cope with situations in which it is difficult to hear, such as in restaurants and on the telephone? The Hearing Loss Association of America, Greater Baltimore Chapter, is for you.

Our meetings feature speakers who educate us about hearing loss, hearing assistive devices, and issues related to making society accessible to people with hearing loss. We educate and advocate on behalf of ourselves and others with hearing loss. We share experiences with a spirit of understanding and camaraderie.

GETTING TO HASA

At the Hearing and Speech Agency free parking is available in both the front and rear parking lots and on the streets (read the signs). HASA is fully wheelchair accessible.

Public Transportation:

The closest subway stations are Rogers Avenue and Reisterstown Plaza stations.

Local chapters of the Hearing Loss Association of America are formed and run by volunteers, and offer support, education, advocacy and social activities. Chapters consist of friendly people who gladly share their experiences coping with hearing loss.

HAAA Chapters support themselves through fund-raising efforts such as the annual Walk4Hearing and donations from the community and Chapter members.

Please consider joining the Hearing Loss Association of America, Greater Baltimore Chapter. Your support helps keep this Chapter operating and is greatly appreciated. Thank you.
